Monday 7th December 2015

Dear Parent/Carer,

Following on from the letter sent out last this week we are pleased to confirm that we are able to facilitate both the before and after school club from January until Easter. This is a new venture so bear with us! If it's a success this will be extended.

The sessions will be supervised by familiar qualified Prospect Vale staff who are First Aiders and all have had recent Safeguarding training. They also have a wealth of curriculum knowledge, skills and exciting talents.

Included in the cost of the sessions will be a healthy breakfast in the morning and a snack in the evening. We feel this is a highly competitive price and have kept costs to a minimum we therefore cannot offer a further reduction for siblings. However we do need the support of parents to make this venture viable and to succeed.

Children in early years will be supervised to and from the club by one of our early years' staff.

Morning Session: £3.50 Opens 7:50 am

Evening Session: £7.50 Closes 5:30 pm

Both sessions: £10.00

To book sessions please collect a booking form from the school office or download from the website under office or log onto parent pay and return asap as places will be given out first come first served.

In January there will be an open day to look at our before/after school setting.

Please do support this new venture. Perhaps just give time to juggle your busy lives or to buy a few hours of respite!

If you require any further details, please contact Mrs Carter.

Yours sincerely

Paul McDowell
