

## Spring: Week 3 & 4 : Number 4 Activities at Home

- Spot the number 4 whilst on walks, on car number plates/ door numbers.
- What animals have 4 legs? Discuss the number of legs of the pets children may have or the animals they see outside.
- Point out the number 4 on the clock / watch or phone/ Ipad screen
- Dominoes - spot the dominoes with 4 dots on them.
- Read the book 'Pete's groovy buttons'
- Spot rectangles and squares at home. Count the sides.
- Number Blocks episode – <https://www.youtube.com/watch?v=Xket7YPSCYk>
- Point out the birthday cards that show 4 when out shopping.
- Playdough smash – roll out the numbers for children. Ask them to squash the numeral 4. Then use the playdough to show 4 of something.
