## Year 4 visit to Macclesfield Forest

Year 4 had a fantastic, but rather damp day exploring the River Bollin in Macclesfield. The children learned how to identify different aspects of a river and particularly enjoyed splashing in their wellies in order to test temperature, flow and depth of the water. Lunch was a very soggy picnic under the trees, but by the end of the day, everyone was still smiling and the children were complimented on their exemplary behaviour. Mrs Novacki and Mrs White would like to say a HUGE thank you to the parents who were able to accompany the class on this visit.

## Stockport Youth Orchestra

In the last week of half-term, children from Y4 & 5 will be working with visiting musicians from **Stockport Youth Orchestra** to write songs about Stockport which will be recorded and taught to children across Stockport. This will form part of the celebrations for 'Stockport Town of Culture, 2023'.

### A message From Our School External Advisor; Luke Dillan

(A former headteacher and frequent visitor to school)  
I am always impressed by the welcoming atmosphere created by the office team at Prospect Vale when they greet pupils, parents and visitors. Visits to the classrooms demonstrates that the pupils enjoy their work, have excellent manners and there are excellent relationships between pupils and staff. The staff always provide exciting learning opportunities, which along with school visits, motivate pupils to produce work of a high standard. Well done everyone on your recent OFSTED report and have a great academic year!
