School Fund Update

Many thanks to those families who have been able to generously donate to School Fund. We are off to a great start in raising just over £400 to purchase a further 10 iPads! Let's keep going to reach our target. The donation item will remain on ParentPay for any further donations.

House Group Refresh

Having been inundated with so many amazing House name ideas from our wonderful children, Pupil Parliament met on Monday and voted on the shortlisted entries. Following a strictly anonymous and official ballot, our parliament members voted for a historical aeroplane theme. Very well done to Wilf (Y6) and Yasmin (Y3) for such a well thought out, fabulous idea which is very much in keeping with our school logo and proximity to Manchester Airport. Thank you for all the entries made, you really amazed us with your thinking and creativity.

We are delighted to announce the following House group names:

Red: Air-Bus

Blue: Lockheed

Yellow: Learjet

Green: Boeing

All the children have now been told which house group they are in and are ready and raring to go with earning points for their House. Well done everybody!

Relationship and Behaviour Policy

Our recent drive to refresh the House group system in school is part of a process to update our Relationship and Positive Behaviour Policy. We will be maintaining our 'Snake and Ladder' system in school but have made tweaks to this. The updated system will be shared with parents and carers in due course.

Poppy Appeal

Thank you to all our children and families who have supported the poppy appeal by buying poppies and other merchandise in the playground. We have been overwhelmed with the popularity of this and for the first time ever, actually ran out of things to sell!

Music and Coffee Afternoon

Yesterday, our families and governors were treated to some wonderful musical performances from different individuals and a number of our younger year groups. Our Community Uniform Bank was available and some festive jumper/clothing bargains were snapped up! Many thanks to Mrs White for organising such a lovely and enjoyable afternoon for our community and thank you also to the fabulous team of parent volunteers who supported with the refreshments. Look out for the date of the next Music & Coffee afternoon and if you would like to get involved with supporting events like these, please email feedback@prospectvale.stockport.sch.uk, giving your name and child's class and we will be in touch! Additionally, we would welcome some feedback from anyone who was able to attend using the same email address. This will help us plan future events. Many thanks in advance!

St Ann's Hospice

St Ann's Hospice hosted a 'Spade in the Ground' event on Tuesday (31 October) at their Heald Green site. This event was attended by some of our families who have helped raise vital funds for the new build at St Ann's Hospice, through a variety of fundraising activities in Heald Green and Wythenshawe.
