

Y6 National Offer Day - Important message for Y6 parents

Following receipt of your child's high school place for September 2024, Stockport Admissions have set up a temporary helpline to assist with any queries you may have about the offered place you've received for your child. The helpline can be accessed at the following times:

Monday 4th March	12 - 5pm
Tuesday 5th March	12 - 5pm
Wednesday 6th March	12 - 5pm
Thursday 7th March	12 - 5pm
Monday 11th March	12 - 5pm
Tuesday 12th March	12 - 5pm
Wednesday 13th March	12 - 5pm
Thursday 14th March	12 - 5pm

When calling, parents will need to provide their child's name, date of birth and the email address that they applied with. Advice and guidance can be provided around the following issues:

- Why they were refused a place at their preferred school(s)
- How their application was considered
- Which schools have places available
- The appeals process
- How places were allocated
- What to do if their circumstances have changed since applying (i.e. a house move)
- The admissions policy for their preferred school(s)

All Y6 parents will also have received a document from PVPS today which shares common issues and solutions. If you require the number for the temporary helpline, please contact the school office.

We hope you and the children are all happy with their places - the staff team have been checking in with the class regularly today to discuss their places and how they feel about them. What an exciting new chapter awaits!

Eid Celebrations

We are really pleased to announce that we are looking to hold an Eid celebration in school following the end of the holy month of Ramadan. In order to plan this, there will be an informal meeting in the school hall on **Tuesday 26th March at 9.30am**. We would really welcome ideas and support from our community so do pop along and share your thoughts about what this event could look like and anything you could offer. Mrs Ijaz, our learning mentor from Ethnic Diversity Services will be on hand to support with this, so do pop in to meet her.

Important

School Spider Reminder

Girls Football Festival

This week Mrs Hall took 10 girls in upper KS2 to the Girls Football Festival at MCFC Academy. The girls were absolutely amazing from start to finish. Not only did they play fantastic football, they also behaved brilliantly for the entire morning. We had 3 superb goal scorers for the day, our captain Emily from Y6 and Polly and Nancy from Y5. This is the first time the girls had played competitively together and they held their own playing against established Y6 girls football teams from other schools and managed to win 3 games! Mrs Hall is super proud of you all, as are the rest of the school! Well done!

Living History

Yesterday, Year 4 got to enjoy an exciting Ancient Greek 'living history' day. The children attended school in authentic Ancient Greek dress, they then spent the day taking part in lots of activities, such as Greek games and puzzles, a mini Olympics, and also got to take part in the ancient Greek play 'Theseus and the Minotaur' they had the best day, and got to have lots of fun! Well done Y4, what a fab day!

Does anyone in our parental community know of anyone who has access to a pallet truck who can move one of our rainbow huts from the outside EYFS playground to the inside of the EYFS playground? The rainbow hut could then be used as a role play area in the middle of our bike track.

The hut needs lifting over the top of the fence which separates our two EYFS playgrounds.

If you know of anyone who would be kind enough to move it for us, free of charge, please get in touch via our admin email address. They would get a special mention in our weekly PV Gazette and our youngest children will get a new role play area.

Please note, if you are able to help, you would need to have up to date relevant health and safety documents and also be willing to provide a risk assessment. Thank you!

Thank
You!
