

## Druhmring Day

Last Friday we had a brilliant day taking part in Druhm fitness sessions. Each class had a 30 or 40 minute session with Ian and our children had a great time... We have already been inundated with children asking when he can come again!

Ian also agreed to start the morning off with a short taster session for parents, so thank you to the small group of parents that came :)

## Reception Induction

Thank you to everyone who attended our Reception induction on Thursday 20.06.2024. It was lovely to see familiar and new faces! The PowerPoint Presentation will be available on the school website in due course and we will be in touch with regards to start dates for your children in the coming weeks.

We have had lots of trips this week, take a look below at some of the fun we have had!

Y5 had **THREE** amazing trips this week! First to Kingsway for a fun morning of art, then to Bridgewater Hall to play their brass instruments, and lastly to Tatton Park for a Viking themed day!

Y2 had a wonderful trip on Tuesday to Bramhall park to take part in a Sports Legacy Trail with Mrs Wall from Shapes.

The games were Olympic themed in connection with the Paris 2024 Olympics. They were so well behaved and had the best time!

Y6 travelled to our capital city on Wednesday.

We walked for miles in the sunshine, saw the Rosetta Stone & Elgin Marbles at the British Museum. Climbed the many steps of Tower Bridge and braved the glass floor! Saw Big Ben, the Houses of Parliament, took in the sights as we walked by the Thames from London Bridge, popped over to see the King (who was in residence) at Buckingham Palace and ate ice creams and burgers!

**WHAT A FABULOUS DAY!**

Y6 you were superstars!

### **Music Matters - a message from Mrs White**

Last week, children in Years 2, 3, 4 and 5 were treated to a demonstration of different brass instruments which will be available to learn from September (parent funded).

Please see the attached leaflet from Mrs White for more details about the different brass instruments.

In the next couple of weeks, we will have demonstrations from two further instrumental teachers who will be offering lessons on flute, clarinet, saxophone and guitar as well as violin, viola, cello and piano. I will then send details of approximate pricing of different length lessons and details of how to book them with the Music Service.

### **Y5 visit to Bridgewater Hall**

This week, Year 5 took part in the 'Come and Play with the Halle' event at the Bridgewater Hall.

Along with about 1000 other children, they played and sang specially written music with the world-famous Halle Orchestra. Our children were amazing and thoroughly enjoyed themselves.

**Cornet:** these are what we play in Y5. Cornets are played in brass bands.

**Trumpets** are elongated cornets and are played in wind bands and orchestras.

**Baritone Horn**—this one sits on your knee and is also played by some children in Y5. Baritones are played in brass bands.

**Trombone**

**French Horn** - the curly one!  
We have three French Horn players in school already.
